# The Sleepover Quilt Instructions

Finished Quilt Size: Approximately 64" by 64"

## Materials:

1 Fat Quarter bundle of Shine Bright Fabrics (21 FQ)

1/2 yard for binding fabric

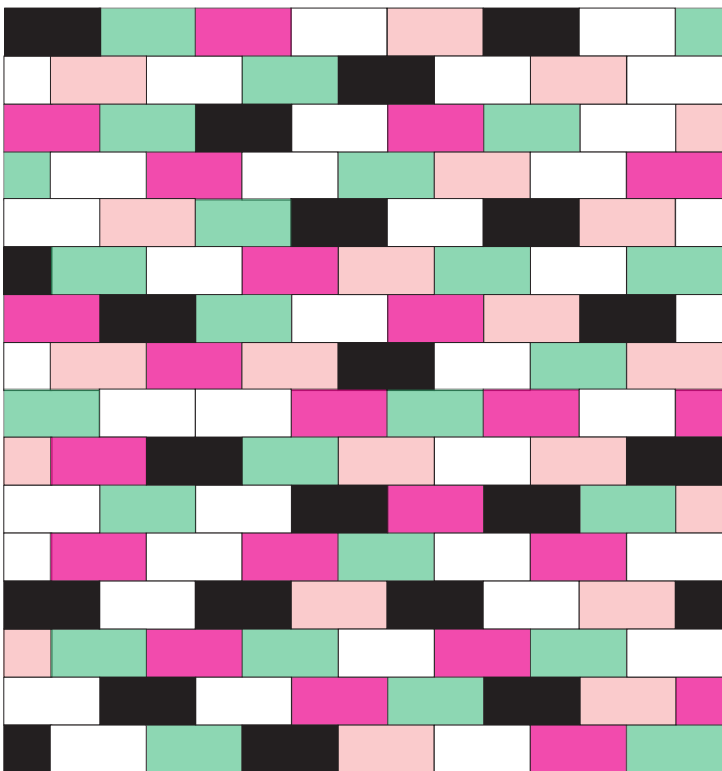

4 yards for quilt back

## Cutting instructions:

From each fat quarter cut 7 rectangles measuring 8.5" by 4.5" and 2 squares measuring 4.5" by 4.5". When all fat quarters are cut you will have 120 (8.5" by 4.5") rectangles cut and 16 (4.5" by 4.5") squares.

## Directions:

1. Lay the quilt top out according to the chart. Each odd row (#1-#15) should have 7 rectangles and end with 1 square. Each even row (#2-#16) should have 1 square, then 7 rectangles.

2. Take the first two rectangles in row #1 and place them right sides together and stitch together using a 1/4" seam allowance. Repeat for rectangles #3 and #4 until you have all the rectangles in row #1 stitched together. Press.

3. Repeat steps #2 and #3 for all sixteen rows. Press. Place each row back in the layout in step #1 so you can remember the order.

4. Next, take row #1 and place on top of row #2 and stitch together using a 1/4" seam allowance. Press seams to one side.

5. Take rows #3 and #4 and stitch together. Repeat for every two rows until all 16 rows are sewn.

6. Now take rows #1-#2 and stitch to rows #3-#4, repeat with rows #5-#6 and #7-8 and so on until you have all sections sewn.

7. Next stitch rows #1-#4 to rows #5-#8 and rows #9-#12 to #13-#16. Then stitch the two halves of the quilt together at the middle. Press entire quilt top.

8. Prepare quilt backing, baste and quilt as desired.

9. Prepare binding and bind quilt as desired.
